Annex 2 - Questions

Questionnaire for ropeway associations of countries with normal or quasi normal frequentation during the 2020/21 winter season

General questions

1. How do your 2020/21 national skier-days compare to an average season?
2. Did you experience clusters of contamination in ski resorts during the 2020/2021 winter? If so, what size of cluster?
3. Were restaurants opened during the 2020/2021 winter? Were restaurants on the ski resort itself opened?
4. Were hotels and accommodations open during the 2020/21 winter?
5. Were there any restrictions regarding mobility inside your country, and inwards?
6. As a ropeway operator, did you have to request a special COVID authorisation to operate during the 2020/2021 winter?
7. Did special COVID requirements apply to the selling process?

Mouth-and-nose covering

8. Was it mandatory to wear a mask on ropeways? If so, from what age onwards?

9. What type of mask was requested? Were « neck rings » allowed?
10. Who was in charge of checking wearing of masks ? Was it the ropeway operator?
11. Did the Covid mandatory constraints imply to hire additional people in order to manage/check/enforce the client covid protocol?

Distances in queues and on ropeways

12. Was there a minimum distance to observe in queues for ropeways?
13. Could all ropeway operators run full capacity, or did they have to reduce the capacity of some lifts?

Ski area capacity

14. Any restrictions as to the number of persons allowed in the ski area at the same time?

Cleaning/disinfection of ropeway vehicles

15. Was it mandatory to clean vehicles at specified time intervals?
